| Medical & Welfare Lead | Karleen Thomas |

We believe that all children have the right to be safe in our society. Therefore, we recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents.

We want all our children to achieve their full potential by:

- Being as physically and mentally healthy as possible;
- Experiencing good quality education opportunities;
- Living in a safe environment;
- Learning and working in a safe environment
- Experiencing emotional well-being;
- Feeling loved and valued;
- Receiving support from a network of reliable and affectionate relationships;
- Learning to look after themselves;
- Coping with everyday living;
- Having a sense of identity and a positive image of themselves;
- Developing their confidence and their interpersonal skills.

This policy is available on the Cleves Primary School website and also on request from the school office. We inform parents and carers about this policy when their children join our school and through the Cleves Primary School newsletter.

Contents

- 1. Legal framework**

2. **Specific Safeguarding Issues**
3. **Newham Joint Position Statement on Everyone's Invited Sept 2021.**
4. **Early Help Offer**
5. **Acronyms**
6. **Cleves Primary School Safeguarding Team roles and responsibilities**
7. **Table of substantive changes from September 2024**

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Children Act 1989
- Sexual Offences Act 2003
- Female Genital Mutilation Act 2003 (as inserted by the Serious Crime Act 2015)
- Children Act 2004
- Safeguarding Vulnerable Groups Act 2006
- Apprenticeships, Children and Learning Act 2009
- Equality Act 2010
- The Education (School Teachers' Appraisal) (England) Regulations 2012 (as amended)
- Anti-social Behaviour, Crime and Policing Act 2014
- Counter-Terrorism and Security Act 2015
- The UK General Data Protection Regulation (UK GDPR)
- Data Protection Act 2018
- Voyeurism (Offences) Act 2019
- Domestic Abuse Act 2021
- Marriage and Civil Partnership (Minimum Age) Act 2022

Statutory guidance

- Home Office (2023) 'Prevent duty guidance: Guidance for specified authorities in England and Wales'
- DfE (2023) 'Working Together to Safeguard Children 2023'
- DfE (2018) 'Disqualification under the Childcare Act 2006'
- DfE (2024) 'Keeping children safe in education 2024'
- HM Government (2020) 'Multi-agency statutory guidance on female genital mutilation'
- HM Government (2023) 'Channel Duty Guidance: Protecting people susceptible to radicalisation'
- Home Office and Foreign, Commonwealth and Development Office (2023) 'Multi-agency statutory guidance for dealing with forced marriage and Multi-agency practice guidelines: Handling cases of forced marriage'

Non-statutory guidance

- DfE (2015) 'What to do if you're worried a child is being abused'
- DfE (2017) 'Child sexual exploitation'
- DfE (2024) 'Information sharing'
- DfE (2024) 'Sharing nudes and semi-nudes: advice for education settings working with children and young people'
- DfE (2021) 'Teachers' Standards'
- DfE (2024) 'Recruit teachers from overseas'
- DfE (2024) 'Working together to improve school attendance'

September 2024

- DfE (2024) 'Meeting digital and technology standards in schools and colleges'
- Department of Health and Social Care (2024) 'Virginity testing and hymenoplasty: multi-agency guidance'

2. Roles and responsibilities

The Governing body

- Take strategic leadership responsibility for the school's safeguarding arrangements.
- Ensure that the school complies with its duties under the above child protection and safeguarding legislation.
- Guarantee that the policies, procedures and training opportunities in the school are effective and comply with the law at all times.
- Guarantee that the school contributes to multi-agency working in line with the statutory guidance '[Working Together to Safeguard Children](#)'.
- Confirm that the school's safeguarding arrangements take into account the procedures and practices of the LA as part of the inter-agency safeguarding procedures.
- Ensure a senior board level lead takes leadership responsibility for safeguarding arrangements.
- Appoint one or more deputy DSLs to provide support to the DSL, and ensure that they are trained to the same standard as the DSL and that the role is explicit in their job descriptions.
- Ensure that a member of the governing board is nominated to liaise with the LA and/or partner agencies on issues of child protection and in the event of allegations of abuse made against the headteacher or another governor.
- Ensure that all governors receive appropriate safeguarding and child protection training upon their induction and that this training is updated regularly.
- Certify that there are procedures in place to handle allegations against staff, supply staff, volunteers and contractors.
- Confirm that there are procedures in place to make a referral to the DBS and the Teaching Regulation Agency (TRA), where appropriate, if a person in regulated activity has been dismissed or removed due to safeguarding concerns or would have been had they not resigned.
- Ensure that the designated teacher works with the VSH to discuss how the pupil premium funding can best be used to support LAC.
- Ensure that all members of the governing board have been subject to an enhanced DBS check.
- Create a culture where staff are confident to challenge senior leaders over any safeguarding concerns.
- Be aware of their obligations under the Human Rights Act 1998, the Equality Act 2010 (including the Public Sector Equality Duty), the Data Protection Act 2018, the UK GDPR and the local multi-agency safeguarding arrangements.

The Designated Safeguarding Lead

- Take lead responsibility for safeguarding and child protection, including online safety and understanding the filtering and monitoring systems and processes in place.
 - Provide advice and support to other staff on child welfare, safeguarding and child protection matters.
 - Take part in strategy discussions and inter-agency meetings, and/or support other staff to do so.
 - Contribute to the assessment of children, and/or support other staff to do so.
 - During term time, be available during school hours for staff to discuss any safeguarding concerns. **NB:** Individual schools, working with the DSL, define what "available" means and whether, in exceptional circumstances, availability via phone, videocall, or other media is an acceptable substitution for in-person availability.
 - Refer cases:
- September 2024

- To Newham Multi-Agency Safeguarding Hub (MASH) in accordance with current London Child Protection Procedures
- To the Channel programme where radicalisation concerns arise, and support staff who make referrals to the Channel programme.
- To the DBS where a person is dismissed or has left due to harm, or risk of harm, to a child.
- To the police where a crime may have been committed, in line with the National Police Chiefs' Council (NPCC) guidance.
- Act as a point of contact with the safeguarding partners.
- Liaise with the headteacher to inform them of issues, especially regarding ongoing enquiries under section 47 of the Children Act 1989 and police investigations.
- Liaise with the Safeguarding Team to ensure effective safeguarding outcomes.
- Liaise with the case manager and the LA designated officers (LADOs) for child protection concerns in cases concerning staff.
- Liaise with staff on matters of safety, safeguarding and welfare, including online and digital safety.
- Liaise with staff when deciding whether to make a referral by liaising with relevant agencies so that children's needs are considered holistically.
- Liaise with the senior mental health lead and, where available, the mental health support team, where safeguarding concerns are linked to mental health.
- Promote supportive engagement with parents in safeguarding and promoting the welfare of children, including where families may be facing challenging circumstances.
- Work with the headteacher and relevant strategic leads, taking lead responsibility for promoting educational outcomes by knowing the welfare, safeguarding and child protection issues that children in need are experiencing, or have experienced, and identifying the impact that these issues might be having on their attendance, engagement and achievement at school. This includes:
 - Ensuring that the school knows which pupils have or had a social worker.
 - Understanding the academic progress and attainment of these pupils.
 - Maintaining a culture of high aspirations for these pupils.
 - Supporting teachers to provide additional academic support or reasonable adjustments to help these pupils reach their potential.
 - Helping to promote educational outcomes by sharing the information about the welfare, safeguarding and child protection issues these pupils are experiencing with teachers and the SLT.
- Ensure that child protection files are kept up-to-date and only accessed by those who need to do so.
- Ensure that a pupil's child protection file is transferred as soon as possible, and within five days, when transferring to a new school, and consider any additional information that should be shared.
- Ensure each member of staff has access to and understands the school's Child Protection and Safeguarding Policy and procedures – this will be discussed during the staff induction process.
- Work with the governing board to ensure the school's Child Protection and Safeguarding Policy is reviewed annually, and the procedures are updated and reviewed regularly.
- Ensure the school's Child Protection and Safeguarding Policy is available publicly, and parents are aware that the school may make referrals for suspected cases of abuse or neglect, as well as the role the school plays in these referrals.
- Link with safeguarding partner arrangements to make sure that staff are aware of the training opportunities available and the latest local policies on safeguarding.
- Undergo training, and update this training at least every two years.

- Encourage a culture of listening to children and taking account of their wishes and feelings; this includes understanding the difficulties pupils may have in approaching staff about their circumstances and considering how to build trusted relationships that facilitate communication.
- Support and advise staff and help them feel confident on welfare, safeguarding and child protection matters: specifically, to ensure that staff are supported during the referrals processes; and to support staff to consider how safeguarding, welfare and educational outcomes are linked, including to inform the provision of academic and pastoral support.
- Understand the importance of information sharing, including within school, with other schools, and with the safeguarding partners, other agencies, organisations and practitioners.
- Understand relevant data protection legislation and regulations, especially the Data Protection Act 2018 and the UK GDPR.
- Keep detailed, accurate, secure written records of concerns and referrals, and understand the purpose of this record-keeping.

The designated teacher has a responsibility for promoting the educational achievement of LAC and PLAC, and for children who have left care through adoption, special guardianship or child arrangement orders or who were adopted from state care outside England and Wales.

The Headteacher

- The Headteacher works in accordance with the requirements upon all school staff. In addition, the Headteacher ensures that all safeguarding policies and procedures adopted by the Governing body are followed by all staff.
- The Headteacher will ensure that children are taught about safeguarding themselves and their peers, including e.g. the emotional impact of on-line nude image sharing, sexist abuse, body shaming or the sexual targeting of children with SEND or protected characteristics, as part of the broad and balanced curriculum. This includes covering relevant issues through Relationships, Sex and Health Education (RSHE) and through other curricular opportunities.
- The Headteacher ensures that all pupils, individually or collectively through our school council are encouraged to promote the responsible use of social media, practical safety around the school and responsibility for their own and others' wellbeing, as an explicit, valued and integral element of a strong school safeguarding culture.
- The Headteacher ensures that there is immediate access to an individual member of staff, appropriately trained, to listen, reassure and provide practical support to move on, for children at need in the school.
- The Headteacher will make sure that she is satisfied that any children on the school roll placed with an alternative education provider can meet the needs of the child and obtain written confirmation that the appropriate safeguarding checks have been carried out.

All School Staff

- **All staff** should maintain an attitude of 'it could happen here' where safeguarding is concerned.
- Undertake safeguarding training, including online safety training (which, amongst other things, includes an understanding of the expectations and responsibilities relating to filtering and monitoring), during their induction – this will be regularly updated.
- **Everyone at our school has a responsibility to provide a learning environment in which our children can feel safe to learn.** All staff members are prepared to identify children who may benefit from early help and understand their role and responsibilities within this process. This includes identifying any emerging problems so appropriate support may be provided and in liaison with the Designated Safeguarding Lead (DSL) report any concerns. All staff members are aware of and follow school processes as set out in this policy and are aware of how to use the portal to make a referral to the Newham MASH when there is a need to do so.

3. Multi-agency working

The school contributes to multi-agency working as part of its statutory duty. The school is aware of and will follow the local safeguarding arrangements.

The school will be fully engaged, involved, and included in the child-centred approach towards local safeguarding arrangements. Once the school is named as a relevant agency by local safeguarding partners, it will follow its statutory duty to cooperate with the published arrangements in the same way as other relevant agencies.

The school will develop trusting relationships between families and agencies to protect the welfare of its pupils, through the early help process and by contributing to multi-agency plans to provide additional support.

Where a need for early help is identified, the school will allow access for MASH from the host LA and, where appropriate, a placing LA, for that LA to conduct (or consider whether to conduct) a section 17 or 47 assessment.

The school will also be mindful of the importance of inter-agency working in identifying and preventing CSE.

The school will reflect the DfE's expectations to secure strong multi-agency working by:

- Collaborating with services to achieve shared goals and share information.
- Learning from evidence and sharing perspective to evaluate provision.
- Prioritising and sharing resources depending on pupils' needs.
- Celebrating inclusivity and diversity and challenging discrimination.
- Mutually and constructively challenging other's assumptions in a respectful manner.

Information sharing

The school recognises the importance of proactive information sharing between professionals and local agencies in order to effectively meet pupils' needs and identify any need for early help.

Considering the above, staff will be aware that whilst the UK GDPR and the Data Protection Act 2018 place a duty on schools to process personal information fairly and lawfully, they also allow for information to be stored and shared for safeguarding purposes – data protection regulations do not act as a barrier to sharing information where failure to do so would result in the pupil being placed at risk of harm.

Staff members will be made aware that safeguarding partners may take legal action against them if they do not share specified information when a request is made for the purposes of safeguarding.

Staff members will ensure that fear of sharing information does not stand in the way of their responsibility to promote the welfare and safety of pupils. If staff members are in doubt about sharing information, they will speak to the DSL or deputy DSLs.

4. Early Help

Early help means providing support as soon as a problem emerges, at any point in a child's life. The school will be proactive in ensuring that every pupil is able to access full-time education to aid their development and protect them from harm whilst utilising the unique position of having regular daily contact with pupils to identify concerns as early as possible.

Any pupil may benefit from early help, but in particular, staff will be alert to the potential need for early help for pupils who:

- Have family members in custody or is affected by parental offending.
- Are disabled, have certain health conditions, or have specific additional needs.
- Have SEND, regardless of whether they have a statutory EHC plan.
- Are suffering from mental ill health.
- Are young carers.
- Show signs of being drawn into anti-social or criminal behaviour, including gang involvement and association with organised crime groups or county lines.
- Are frequently missing or going missing from care or from home.
- Are at risk of modern slavery, trafficking, or sexual or criminal exploitation.

- Are at risk of being radicalised.
- Are in a family circumstance presenting challenges for them, such as drug and alcohol misuse, adult mental health problems, or domestic abuse.
- Are misusing drugs or alcohol
- Are at risk of HBA, such as FGM or forced marriage.
- Are privately fostered.
- Have experienced multiple suspensions and are at risk of, or have been, permanently excluded from school, alternative provision or a PRU.

The school will not limit its support to pupils affected by the above and will be mindful of a variety of additional circumstances in which pupils may benefit from early help, for example, if they are:

- Bereaved.
- Viewing problematic or inappropriate online content or developing inappropriate relationships online.
- Have recently returned home to their family from care.
- Missing education, or are persistently absent from school, or not in receipt of full-time education.

Staff will be mindful of all signs of abuse, neglect and exploitation and use their professional curiosity to raise concerns to the DSL.

The DSL will take the lead where early help is appropriate. This includes liaising with other agencies and setting up an inter-agency assessment as appropriate. The local early help process will be followed as required.

Staff may be required to support other agencies and professionals in an early help assessment, in some cases acting as the lead practitioner. Any such cases will be kept under constant review and consideration given to a referral to MASH for assessment for statutory services if the pupil's situation is not improving or is worsening.

5. Abuse, neglect and exploitation

The four main types of abuse referred to in Keeping Children Safe in Education are:

- Physical
- Emotional
- Sexual
- Neglect

For the purposes of this policy, **“abuse”** is defined as a form of maltreatment of a child which involves inflicting harm or failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing the ill treatment of others – this can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse.

Children may be abused in a family, institutional or community setting by those known to them or by others, e.g. via the internet. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by one or multiple adults or other children.

For the purposes of this policy, **“physical abuse”** is defined as a form of abuse which may involve actions such as hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical abuse can also be caused when a parent fabricates the symptoms of, or deliberately induces, illness in a child.

For the purposes of this policy, **“emotional abuse”** is defined as the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. This may involve conveying to a child that they are worthless, unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child the opportunities to express their views,

deliberately silencing them, 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children, such as interactions that are beyond their developmental capability, overprotection and limitation of exploration and learning, or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, including cyberbullying, causing the child to frequently feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, but it may also occur alone.

For the purposes of this policy, **“sexual abuse”** is defined as abuse that involves forcing or enticing a child to take part in sexual activities, not necessarily involving violence, and regardless of whether the child is aware of what is happening. This may involve physical contact, including assault by penetration, or non-penetrative acts, such as masturbation, kissing, rubbing, and touching outside of clothing. It may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can be perpetrated by people of any gender and age.

For the purposes of this policy, **“neglect”** is defined as the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in serious impairment of a child’s health or development. This may involve a parent or carer failing to provide a child with adequate food, clothing or shelter (including exclusion from home or abandonment); failing to protect a child from physical or emotional harm or danger; failing to ensure adequate supervision (including through the use of inappropriate caregivers); or failing to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child’s basic emotional needs.

All staff will be aware of the indicators of abuse and neglect and understand that children can be at risk of harm inside and outside of the school, inside and outside of home, and online. All staff will be aware that abuse, neglect and other safeguarding issues are rarely standalone events that can be given a specific label, and multiple issues often overlap one another; therefore, staff will be vigilant and always raise concerns with the DSL. All staff, especially the DSL will be aware that safeguarding incidents and/or behaviours can be associated with factors outside the school and/or can occur between children outside of these environments; this includes being aware that pupils can be at risk of abuse or exploitation in situations outside their families (extra-familial harms). All staff will be aware of the appropriate action to take following a pupil being identified as at potential risk of abuse and, in all cases, will speak to the DSL if they are unsure.

All staff will be aware that technology is a significant component in many safeguarding and wellbeing issues, including online abuse, cyberbullying, and the sharing of indecent images.

Our school is aware of the signs of abuse and neglect so we are able to identify children who may need help or protection. Within those four main types of abuse there are a number of specific types of abuse to which we are aware and especially alert.

6. Specific safeguarding issues

There are certain specific safeguarding issues that can put children at risk of harm – staff will be aware of these issues.

Appendix 1 of this policy sets out details about specific safeguarding issues that pupils may experience and outlines specific actions that would be taken in relation to individual issues.

7. Child-on-child abuse

For the purposes of this policy, **“child-on-child abuse”** is defined as abuse between children.

The school has a zero-tolerance approach to abuse, including child-on-child abuse. All staff will be aware that child-on-child abuse can occur between pupils of any age and gender, both inside and outside of school, as well as

online. All staff will be aware of the indicators of child-on-child abuse, how to identify it, and how to respond to reports. All staff will also recognise that even if no cases have been reported, this is not an indicator that child-on-child abuse is not occurring. All staff will speak to the DSL if they have any concerns about child-on-child abuse. All staff will understand the importance of challenge inappropriate behaviour between peers, and will not tolerate abuse as “banter” or “part of growing up”.

Child-on-child abuse can be manifested in many different ways, including:

- Bullying, including cyberbullying and prejudice-based or discriminatory bullying.
- Abuse in intimate personal relationships between peers – sometimes known as ‘teenage relationship abuse’.
- Physical abuse – this may include an online element which facilitates, threatens and/or encourages physical abuse.
- Sexual violence – this may include an online element which facilitates, threatens and/or encourages sexual violence.
- Sexual harassment, including online sexual harassment, which may be standalone or part of a broader pattern of abuse.
- Causing someone to engage in sexual activity without consent.
- The consensual and non-consensual sharing of nude and semi-nude images and/or videos.
- Up skirting.
- Initiation- and hazing-type violence and rituals, which can include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group, and may also include an online element.

The DSL will ensure they appropriately assess all instances of child-on-child abuse, including in cases of image-based abuse, to help determine whether the alleged perpetrator(s) is under the age of 18 or is an adult posing as a child.

The DSL will immediately refer the case if it is found that a so-called child-on-child abuse incident involves an adult, e.g. where an adult poses as a child online to groom a child or young person.

All staff will be clear as to the school’s policy and procedures regarding child-on-child abuse and the role they have to play in preventing it and responding where they believe a child may be at risk from it.

Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled. This includes the process for reporting concerns about friends or peers.

Pupils will also be reassured that they will be taken seriously, be supported, and kept safe.

The school’s procedures for managing allegations of child-on-child abuse are outlined in the Child-on-child Abuse Policy. Staff will follow these procedures, as well as the procedures outlined in the school’s Anti-bullying Policy and Suspension and Exclusion Policy, where relevant.

8. Online safety and personal electronic devices

The school will adhere to the Online Safety Policy at all times.

As part of a broad and balanced curriculum, all pupils will be made aware of online risks and taught how to stay safe online.

Through training, all staff members will be made aware of:

- Pupil attitudes and behaviours which may indicate they are at risk of potential harm online.
- The procedure to follow when they have a concern regarding a pupil’s online activity.

The school will ensure that appropriate filtering systems are in place on school devices and school networks to prevent children accessing inappropriate material, in accordance with the school’s Cyber-security Policy. The school will, however, ensure that the use of filtering and monitoring systems does not cause “over blocking”, which may lead to unreasonable restrictions as to what pupils can be taught online. The school will also ensure that it meets the filtering and monitoring standards published by the DfE.

Staff will be aware of the filtering and monitoring systems in place and will know how to escalate concerns where they are identified. Staff will be made aware of their expectations and responsibilities relating to filtering and monitoring systems during their induction.

Further information regarding the school's approach to online safety can be found in the Online Safety Policy.

Communicating with parents

As part of the usual communication with parents, the school will reinforce the importance of pupils being safe online and inform parents that they will find it helpful to understand what systems the school uses to filter and monitor internet use.

The school will also make it clear to parents what their children are being asked to do online for school.

Reviewing online safety

The school will carry out an annual review of its approach to online safety, supported by an annual risk assessment that considers and reflects the risks faced by pupils.

Personal electronic devices

The use of personal electronic devices, including mobile phones and cameras, by staff is closely monitored by the school, in accordance with the Staff IT and Electronic Devices Policy.

Photographs and videos of pupils will be carefully planned before any activity with particular regard to consent and adhering to the school's Data Protection Policy. The DPO will oversee the planning of any events where photographs and videos will be taken.

Where photographs and videos will involve pupils who are LAC, adopted pupils, or pupils for whom there are security concerns, the headteacher will liaise with the DSL to determine the steps involved. The DSL will, in known cases of pupils who are LAC or who have been adopted, liaise with the pupils' social workers, carers or adoptive parents to assess the needs and risks associated with the pupils.

Staff will report any concerns about pupils' or other staff members' use of personal electronic devices to the DSL, following the appropriate procedures.

Up skirting

Under the Voyeurism (Offences) Act 2019, it is an offence to operate equipment for the purpose of up skirting. **"Operating equipment"** includes enabling, or securing, activation by another person without that person's knowledge, e.g. a motion-activated camera.

Up skirting will not be tolerated by the school. Any incidents of up skirting will be reported to the DSL, who will then decide on the next steps to take, which may include police involvement.

9. Consensual and non-consensual sharing of indecent images and videos

The school will ensure that staff are aware to treat the consensual and non-consensual sharing of nude and semi-nude images and/or videos (also known as "sexting" or youth-produced sexual images) as a safeguarding concern. Staff will be aware that creating, possessing, and distributing indecent imagery of children is a criminal offence, regardless of whether the imagery is created, possessed, and distributed by the individual depicted; however, staff will ensure that pupils are not unnecessarily criminalised.

Staff will also be made aware that the laws imposed on the sharing of nudes and semi-nudes applies to digitally manipulated and AI-generated imagery.

Where a member of staff becomes aware of an incidence of sharing nudes and/or semi-nudes, they will refer this to the DSL as soon as possible. The DSL will work to support the affected pupils and inform them of the reporting routes to remove a nude or semi-nude that has been shared online or to prevent an image from being shared online.

10. Context of safeguarding incidents

All staff are aware that safeguarding incidents and/or behaviours can be associated with factors outside of the school and can occur between children outside of the school environment. The **Designated Safeguarding Lead (DSL)** and all staff will consider whether children are at risk of abuse or exploitation in situations outside their families.

Contextual Safeguarding is an approach to understanding, and responding to, young people's experiences of significant harm and risk beyond their families. It recognises that the relationships that young people form in their neighbourhoods, schools and online can feature violence and abuse. Parents and carers may have little influence over these contexts, and young people's experiences of extra-familial abuse can undermine parent-child relationships.

Our school staff need to engage with individuals and groups who do have influence over/within extra-familial contexts, and we recognise that risk assessment of, and intervention with, such sources of influence on our students are a critical part of our safeguarding practices. Contextual Safeguarding, therefore, expands the objectives of our child protection systems in school in recognition of the fact that young people are vulnerable to abuse in a range of social contexts.

Contextual abuse takes different forms and children can be vulnerable to multiple harms including but not limited to sexual exploitation, criminal exploitation and serious youth violence. If, as a school, we are concerned a child is being exploited in an extra-familial context, as previously outlined, we will follow the procedures set out in this document and consult or refer to the MASH, from where they are likely to be referred to the PCEHH.

Newham PCEHH – Preventing Child Exploitation and Harm Hub

The PCEHH is a weekly multi-disciplinary meeting chaired by the Director of Early Help and Children's Health. The PCEHH helps to identify and engage with children and young people who may be potentially at risk from any form of exploitation by responding to earlier 'critical moments' indicated via referrals from MASH. The PCEHH forms part of Newham's understanding and response to Child Sexual Exploitation (CSE), Missing, Criminal exploitation / gangs and county lines, serious youth violence (SYV), harmful sexual behaviour (HSB) and modern slavery in the borough. It is well documented that focusing on prevention, early identification and intervention helps disrupt activity that might increase the probability of children and young people being exploited. Where there are low or emerging risks of child exploitation with no safeguarding concerns but heightened vulnerabilities, the child or young person is referred to the PCEHH for a multiagency discussion to agree a co-ordinated package of support for the whole family. Involving all family members can be a key determinant in supporting children and young people to remain safe and achieve good outcomes.

The PCEHH sits within the Early Help service, which works with the whole family. This means that the PCEHH also considers both inter-familial as well as intra-familial concerns as part of a co-ordinated and contextual safeguarding approach. All cases must have followed existing child protection procedures prior to being discussed at the PCEHH, including strategy meeting/discussion where appropriate.

11. Pupils potentially at greater risk of harm

The school recognises that some groups of pupils can face additional safeguarding challenges, both online and offline. Additional considerations for managing safeguarding concerns and incidents amongst these groups are outlined below.

Pupils who need social workers

Pupils may need social workers due to safeguarding or welfare needs. These needs can leave pupils vulnerable to further harm and educational disadvantage.

As a matter of routine, the DSL will hold and use information from the LA about whether a pupil has a social worker in order to make decisions in the best interests of the pupil's safety, welfare, and educational outcomes.

Where a pupil needs a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence, and promoting welfare, e.g. considering the provision pastoral or academic support.

Home-educated children

Parents may choose elective home education (EHE) for their children. In some cases, EHE can mean that children are less visible to the services needed to safeguard and support them.

In line with the Education (Pupil Registration) (England) Regulations 2006, the school will inform the LA of all deletions from the admissions register when a pupil is taken off roll.

Where a parent has expressed their intention to remove a pupil from school for EHE, the school, in collaboration with the LA and other key professionals, will coordinate a meeting with the parent, where possible, before the final decision has been made, particularly if the pupil has SEND, is vulnerable, and/or has a social worker.

LAC and PLAC

Children most commonly become looked after because of abuse and/or neglect. Because of this, they can be at potentially greater risk in relation to safeguarding. PLAC, also known as care leavers, can also remain vulnerable after leaving care.

The governing board will ensure that staff have the skills, knowledge and understanding to keep LAC and PLAC safe. This includes ensuring that the appropriate staff have the information they need, such as:

- Looked after legal status, i.e. whether they are looked after under voluntary arrangements with consent of parents, or on an interim or full care order.
- Contact arrangements with parents or those with parental responsibility.
- Care arrangements and the levels of authority delegated to the carer by the authority looking after the pupil.

The DSL will be provided with the necessary details of pupils' social workers and the VSH, and, for PLAC, personal advisers.

Further details of safeguarding procedures for LAC and PLAC are outlined in the school's LAC Policy.

Pupils with SEND

When managing safeguarding in relation to pupils with SEND, staff will be aware of the following:

- Certain indicators of abuse, such as behaviour, mood and injury, may relate to the pupil's disability without further exploration; however, it should never be assumed that a pupil's indicators relate only to their disability
- Pupils with SEND can be disproportionately impacted by issues such as bullying, without outwardly showing any signs
- Communication barriers may exist, as well as difficulties in overcoming these barriers

When reporting concerns or making referrals for pupils with SEND, the above factors will always be taken into consideration. When managing a safeguarding issue relating to a pupil with SEND, the DSL will liaise with the school's Inclusion lead, as well as the pupil's parents where appropriate, to ensure that the pupil's needs are met effectively.

LGBTQ+ pupils

The fact that a pupil may be LGBTQ+ is not in itself an inherent risk factor for harm; however, staff will be aware that LGBTQ+ pupils can be targeted by other individuals. Staff will also be aware that, in some cases, a pupil who is perceived by others to be LGBTQ+ (whether they are or not) can be just as vulnerable as pupils who identify as LGBTQ+.

Staff will also be aware that the risks to these pupils can be compounded when they do not have a trusted adult with whom they can speak openly with. Staff will endeavour to reduce the additional barriers faced by these pupils and provide a safe space for them to speak out and share any concerns they have.

Pupils requiring mental health support

All staff will be made aware that mental health problems can, in some cases, be an indicator that a pupil has suffered, or is at risk of suffering, abuse, neglect or exploitation.

12. Use of the school premises for non-school activities

Extracurricular activities and clubs

External bodies that host extracurricular activities and clubs at the school, e.g. charities or companies, will work in collaboration with the school to effectively safeguard pupils and adhere to local safeguarding arrangements.

Staff and volunteers running extracurricular activities and clubs are aware of their safeguarding responsibilities and promote the welfare of pupils. Paid and volunteer staff understand how they should respond to child protection concerns and how to make a referral to MASH or the police, if necessary.

All national governing bodies of sport that receive funding from either Sport England or UK Sport must aim to meet the Standards for Safeguarding and Protecting Children in Sport.

13. Concerns about pupils

All staff members have a duty to identify and respond to suspected and actual abuse or disclosures of harm.

Any member of staff, volunteer or visitor to our school who receives a disclosure or allegation of abuse, or suspects that abuse may have occurred **must** report it immediately to the Designated Safeguarding Lead (DSL). Concerns about a child at risk of radicalisation or extremism will be raised with the PREVENT and Designated Safeguarding Leads.

All action is taken in accordance with the following guidance;

- Newham Safeguarding Children Partnership guidelines – Pan-London Child Protection Procedures
- Keeping Children Safe in Education (DfE, 2022)
- Working Together to Safeguard Children (DfE, 2018)
- PREVENT Duty - Counter-Terrorism and Security Act (HMG, 2015)

Where there is risk of **immediate harm**, a child will be referred to the Newham Multi-Agency Safeguarding Hub through the Newham MASH Portal. Time-sensitive referrals may be telephoned first in case the child needs to be kept in school, pending a Section 47 Strategy meeting when a social worker will come to the school. Less urgent concerns or requests for support will also be referred via the Newham MASH Portal for consideration of Early Help support as appropriate. We will call police to the school directly if the risk is assessed as acute and immediate.

Practice when Police are called to the school.

- Before calling police to the school, the DSL and senior staff will reflect upon the proportionality of this response, being aware of the child's rights under the Equalities Act and Human Rights Act and if necessary, identifying and addressing concerns such as adultification if it is suspected of being present in staff decision making processes thus far.
- Best practice is to consult the Safer Schools Officer before contacting police directly, unless the risk is considered to be escalating at a rate that precludes contacting the SSO. This school will prioritise contacting the SSO for advice before asking for other officers to attend.
- In the event that a child is interviewed on site by police, the DSL will act in loco parentis at that interview to provide support to the child. Parents/carers will be informed directly that the police have been called to the school in connection with their child, *subject to the safeguarding guidelines below*. A suitably trained
Appropriate Adult must be present if the child is subsequently arrested and/or taken to a police station and the DSL will ensure that arrangements for such support are in place before the child leaves the school premises, with the reason for the arrest and the name of the appropriate adult concerned, confirmed. [Appropriate Adult | Youth Justice Legal Centre \(yjlc.uk\)](#); [DRAFT GUIDE FOR \(publishing.service.gov.uk\)](#) (*role and responsibilities of an Appropriate Adult*).
- No child / student may be subject to a search by police on school premises. Any such search should be carried out at the police station with an AA in attendance to the search.
- Wherever possible, the school will share any safeguarding concerns, or an intention to refer a child to the MASH with parents or carers. However, we will not do so where it is felt that to do so could place the child at greater risk of harm or impede a criminal investigation. On occasions, it may be necessary to

seek advice from the MASH or the Police in making decisions about when it is appropriate to share information with parents or carers.

- If a member of staff continues to have concerns about a child and feels the situation is not being addressed or does not appear to be improving, the staff member concerned should press for re-consideration of the case with the Designated Safeguarding Lead (DSL) who will escalate the concern as appropriate.
- If, for any reason, the Designated Safeguarding Lead (DSL) is not available, this should not delay appropriate action being taken. Safeguarding contact details are displayed in the school to ensure that all staff members have unfettered access to safeguarding support, should it be required. Any individual may refer to the Newham MASH where there is suspected or actual risk of harm to a child. All staff should be aware of how to access the portal.
- If a child resides outside Newham the DSL will be aware of the need to refer to the MASH in their LA. If unsure, always refer to the Newham MASH who will forward to appropriate areas.

14. Managing referrals

The reporting and referral process outlined in the Reporting Safeguarding Concerns Flowchart will be followed accordingly.

All staff members, in particular the DSL, will be aware of the LA's arrangements in place for managing referrals. The DSL will provide staff members with clarity and support where needed. When making a referral to MASH or other external agencies, information will be shared in line with confidentiality requirements and will only be shared where necessary to do so.

The DSL will work alongside external agencies, maintaining continuous liaison, including multi-agency liaison where appropriate, in order to ensure the wellbeing of the pupils involved. The DSL will work closely with the police to ensure the school does not jeopardise any criminal proceedings, and to obtain help and support as necessary. Where a pupil has been harmed or is in immediate danger or at risk of harm, the referrer will be notified of the action that will be taken within one working day of a referral being made. Where this information is not forthcoming, the referrer will contact the assigned social worker for more information.

The school will not wait for the start or outcome of an investigation before protecting the victim and other pupils: this applies to criminal investigations as well as those made by MASH. Where MASH decide that a statutory investigation is not appropriate, the school will consider referring the incident again if it is believed that the pupil is at risk of harm. Where MASH decide that a statutory investigation is not appropriate and the school agrees with this decision, the school will consider the use of other support mechanisms, such as early help and pastoral support.

At all stages of the reporting and referral process, the pupil will be informed of the decisions made, actions taken and reasons for doing so. Discussions of concerns with parents will only take place where this would not put the pupil or others at potential risk of harm. The school will work closely with parents to ensure that the pupil, as well as their family, understands the arrangements in place, such as in-school interventions, is effectively supported, and knows where they can access additional support.

15. Concerns about school safeguarding practices

Whistleblowing

Whistleblowing is defined as '*making a disclosure in the public interest*' and occurs when a worker (or member of the wider school community) raises a concern about danger or illegality that affects others, for example pupils in the school or members of the public.

All staff members are made aware of the duty to raise concerns about the attitude or actions of staff in line with the school's Code of Conduct and Whistleblowing policy.

We want everyone to feel able to report any child protection or safeguarding concerns. More information is available called Advice for Whistleblowing in Maintained Schools (DfE 2014). However, for members of staff who feel unable to raise these concerns internally, they can contact the NSPCC whistleblowing helpline on: 0800 028 0285 or email: help@nspcc.org.uk

Parents or others in the wider school community with concerns can contact the NSPCC general helpline on: 0808 800 5000 (24-hour helpline) or email: help@nspcc.org.uk

16. Safeguarding concerns and allegations of abuse against staff

The aim of our school is to provide a safe and supportive environment that secures the well-being and best learning outcomes for children. All staff members are made aware of the boundaries of appropriate behaviour and conduct. These matters form part of staff induction and are outlined in the Staff Handbook and Code of Conduct. We do, however recognise that sometimes allegations of abuse are made and when they occur they are distressing and difficult for all. We also understand that some allegations are genuine and that there are adults who deliberately seek to harm or abuse children. Our school takes all possible steps to safeguard our children and ensure that the adults in our school are safe to work with children.

Supply staff, whilst not employed by the school are under the supervision, direction and control of the governing body when working in the school. If we receive an allegation about an individual that is not directly employed by the school for example, agency staff we will discuss with the agency whether it is appropriate to suspend the agency staff or to redeploy them to another part of the school, whilst they carry out an investigation. We will usually take the lead in collecting the facts from children and other staff and work in partnership with the employer and LADO to manage the process.

We will always ensure that the procedures outlined in Chapter 7 of the London Child Protection Procedures are adhered to and will seek appropriate advice from the Local Authority Designated Officer (LADO) by telephone 0203 373803 or email cppt.lado@newham.gov.uk

If an allegation is made or information is received about any member of staff or volunteer who works with children has:

- behaved in a way that has harmed a child, or may have harmed a child;
- possibly committed a criminal offence against or related to a child;
- behaved towards a child or children in a way that indicates they may pose a risk of harm to children; or
- behaved in a way that indicates they may not be suitable to work with children;

The member of staff receiving the information should inform the Headteacher immediately. This includes concerns relating to agency and supply staff. Should an allegation be made against the Headteacher, this will be reported to the Chair of Governors. In the event the Chair of Governors is not contactable the same day, the information must be passed to the Vice Chair. The Headteacher or Chair of Governors will seek advice from the LADO within one working day. No member of staff will undertake further investigations before seeking advice from the LADO.

Any member of staff or volunteer who does not feel confident to raise concerns within the school should contact the LADO directly. Please refer to section 11 of this policy.

The school has a legal duty to refer to the Disclosure and Barring Service (DBS) anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or

September 2024

would have been removed had they not left. The DBS will consider whether to bar the person from regulated activity. If these circumstances arise in relation to a member of staff at our school, a referral will be made as soon as possible after the resignation or removal of the individual in accordance with advice from the LADO and/or the HR department.

The school will ensure all allegations against staff, including those who are not employees of the school, are dealt with appropriately and that the school liaises with the relevant parties.

When managing allegations against staff, the school will recognise the distinction between allegations that meet the harms threshold and allegations that do not, also known as “low-level concerns.

Allegations that meet the harms threshold include instances where staff have:

- Behaved in a way that has harmed a child, or may have harmed a child.
- Committed or possibly committed a criminal offence against or related to a child.
- Behaved towards a child in a way that indicates they may pose a risk of harm to children.
- Behaved, or may have behaved, in a way that indicates they may not be suitable to work with children.

17. Communication and confidentiality

When recording, holding, using and sharing information, the DSL will ensure that they:

- Understand the importance of information sharing, both within the school and with other schools on transfer including in-year and between primary and secondary education, and with safeguarding partners, other agencies, organisations and practitioners.
- Understand relevant data protection legislation and regulations, in particular the Data Protection Act 2018 and the UK GDPR.
- Are able to keep detailed, accurate, secure written records of all concerns, discussions and decisions made including the rationale of those decisions. This will include instances where referrals were and were not made to another agency such as LA children’s social care or the Prevent program.

All child protection and safeguarding concerns will be treated in the strictest of confidence in accordance with school data protection policies.

Where there is an allegation or incident of sexual abuse or sexual violence, the victim is entitled to anonymity by law; therefore, the school will consult its policy and agree on what information will be disclosed to staff and others, in particular the alleged perpetrator and their parents. Where a report of sexual violence or sexual harassment is progressing through the criminal justice system, the school will do all it can to protect the anonymity of the pupils involved in the case.

Concerns will only be reported to those necessary for its progression and reports will only be shared amongst staff members and with external agencies on a need-to-know basis. During the disclosure of a concern by a pupil, staff members will not promise the pupil confidentiality and will ensure that they are aware of what information will be shared, with whom and why.

Where it is in the public interest, and protects pupils from harm, information can be lawfully shared without the victim’s consent, e.g. if doing so would assist the prevention, detection or prosecution of a serious crime. Before doing so, the DSL will weigh the victim’s wishes against their duty to protect the victim and others. Where a referral is made against the victim’s wishes, it is done so carefully with the reasons for the referral explained to the victim and specialist support offered.

Depending on the nature of a concern, the DSL will discuss the concern with the parents of the pupils involved. Discussions with parents will not take place where they could potentially put a pupil at risk of harm. Discussion with the victim’s parents will relate to the arrangements being put in place to safeguard the victim, with the aim of understanding their wishes in terms of support arrangements and the progression of the report. Discussion with the alleged perpetrator’s parents will have regards to the arrangements that will impact their child, such as moving classes, with the reasons behind decisions being explained and the available support discussed. External agencies will be invited to these discussions where necessary.

Where confidentiality or anonymity has been breached, the school will implement the appropriate disciplinary procedures as necessary and will analyse how damage can be minimised and future breaches be prevented. Where a pupil is leaving the school, the DSL will consider whether it is appropriate to share any information with the pupil's new provider, in addition to the child protection file, that will allow the new provider to support the pupil and arrange appropriate support for their arrival.

18. Safer recruitment

The school's full policy and procedures for safer recruitment are outlined in the Safer Recruitment Policy. An enhanced DBS check with barred list information will be undertaken for all staff members engaged in regulated activity. A person will be considered to be in 'regulated activity' if, as a result of their work, they:

- Are responsible on a daily basis for the care or supervision of children.
- Regularly work in the school at times when children are on the premises.
- Regularly come into contact with children under 18 years of age.

The DfE's [DBS Workforce Guides](#) will be consulted when determining whether a position fits the child workforce criteria.

The governing board will conduct the appropriate pre-employment checks for all prospective employees, including internal candidates and candidates who have lived or worked outside the UK.

The appropriate DBS and suitability checks will be carried out for all governors, volunteers, and contractors.

Staff suitability

All centres providing care for pupils under the age of eight must ensure that staff and volunteers working in these settings are not disqualified from doing so under the Childcare (Disqualification) and Childcare (Early Years Provision Free of Charge) (Extended Entitlement) (Amendment) Regulations 2018. A person may be disqualified if they:

- Have certain orders or other restrictions placed upon them.
- Have committed certain offences.

All staff members are required to sign the Staff Disqualification Declaration Form confirming that they are not disqualified from working in a schooling environment. A disqualified person will not be permitted to continue working at the school, unless they apply for and are granted a waiver from Ofsted. The school will provide support with this process.

Ongoing suitability

Following appointment, consideration will be given to staff and volunteers' ongoing suitability – to prevent the opportunity for harm to children or placing children at risk.

Referral to the DBS

The school will refer to the DBS anyone who has harmed a child or poses a risk of harm to a child, or if there is reason to believe the member of staff has committed an offence and has been removed from working in regulated activity. The duty will also apply in circumstances where an individual is deployed to another area of work that is not in regulated activity or they are suspended.

19. Single central record (SCR)

The school keeps an SCR which records all staff, including agency and third-party supply staff, and teacher trainees on salaried routes, who work at the school.

All members of the proprietor body are also recorded on the SCR.

The MAT holds a central SCR containing information that is easily accessible and recorded in such a way that allows for details for each individual academy to be provided separately, and without delay, to all who need to see it, including Ofsted.

The following information is recorded on the SCR:

- An identity check

- A barred list check
- An enhanced DBS check
- A prohibition from teaching check
- A check of professional qualifications, where required
- A check to determine the individual's right to work in the UK
- Additional checks for those who have lived or worked outside of the UK
- A section 128 check for those in management positions

For agency and third-party supply staff, the school will also record whether written confirmation from the employment business supplying the member of staff has been received which indicates that all the necessary checks have been conducted and the date that confirmation was received.

If any checks have been conducted for volunteers, this will also be recorded on the SCR. If risk assessments are conducted to assess whether a volunteer should be subject to an enhanced DBS check, the risk assessment will be recorded.

Written confirmation that supply agencies have completed all relevant checks will also be included.

The school is free to record any other information it deems relevant.

The details of an individual will be removed from the SCR once they no longer work at the school.

20. Training

Staff members will undergo safeguarding and child protection training at induction, which will be updated whenever there is a change in legislation.

The induction training will cover:

- The Child Protection and Safeguarding Policy.
- The Staff Code of Conduct.
- Part one of 'Keeping children safe in education' (KCSIE) (or Annex A, if appropriate).
- The Behaviour Policy.
- Appropriate child protection and safeguarding training, including online safety training – which, amongst other things, includes an understanding of expectations, applicable roles and responsibilities in relation to filtering and monitoring.
- Information about the role and identity of the DSLs.

All staff members will also receive regular safeguarding and child protection updates as required, but at least annually.

The DSLs will undergo child protection and safeguarding training, and update this training at least every two years. The DSLs will also obtain access to resources and attend any relevant or refresher training courses, ensuring they keep up-to-date with any developments relevant to their role. This will include training to understand:

- The assessment process for providing early help and statutory intervention, including local criteria for action and MASH referral arrangements.
- How LAs conduct child protection case conferences and a child protection review conferences, to enable the DSL to attend and contribute to these effectively when required.
- The importance of providing information and support to MASH.
- The lasting impact that adversity and trauma can have.
- How to be alert to the specific needs of children in need, pupils with SEND and/or relevant health conditions, and young carers.
- The importance of internal and external information sharing.
- The Prevent duty.
- The risks associated with online safety, including the additional risks faced online by pupils with SEND.

Appendices

A1. Specific safeguarding issues

This appendix sets out details about specific safeguarding issues that pupils may experience and outlines specific actions

that would be taken in relation to individual issues.

Here are the issues covered:

1. [Domestic abuse](#)
2. [Homelessness](#)
3. [Children absent from education](#)
4. [Child abduction and community safety incidents](#)
5. [Child criminal exploitation \(CCE\)](#)
6. [Cyber-crime](#)
7. [Child sexual exploitation \(CSE\)](#)
8. [Modern slavery](#)
9. [FGM](#)
10. [Virginity testing and hymenoplasty](#)
11. [Forced marriage](#)
12. [Radicalisation](#)
13. [Pupils with family members in prison](#)
14. [Pupils required to give evidence in court](#)
15. [Mental health](#)
16. [Serious violence](#)
17. [Adult involvement in youth-produced sexual imagery](#)

1.Domestic abuse

For the purposes of this policy, and in line with the Domestic Abuse Act 2021, “**domestic abuse**” is defined as abusive behaviour of a person towards another person (including conduct directed at someone else, e.g. the person’s child) where both are aged 16 or over and are personally connected.

“**Abusive behaviour**” includes physical or sexual abuse, violent or threatening behaviour, controlling or coercive behaviour, economic abuse, psychological or emotional abuse, or another form of abuse.

“**Personally connected**” includes people who:

- Are, have been, or have agreed to be married to each other.
- Are, have been, or have agreed to be in a civil partnership with each other.
- Are, or have been, in an intimate personal relationship with each other.
- Each have, or had, a parental relationship towards the same child.
- Are relatives.

The school will recognise the impact of domestic abuse on children, as victims in their own right, if they see, hear or experience the effects of domestic abuse. All staff will be aware of the signs of domestic abuse and follow the appropriate safeguarding procedures where concerns arise.

2.Homelessness

The DSL and deputy DSLs will be aware of the contact details and referral routes into the Local Housing Authority so that concerns over homelessness can be raised as early as possible.

Indicators that a family may be at risk of homelessness include:

- Household debt.
- Rent arrears.
- Domestic abuse.

September 2024

- Anti-social behaviour.
- Any mention of a family moving home because “they have to”.

Referrals to the Local Housing Authority do not replace referrals to MASH where a child is being harmed or at risk of harm. For 16- and 17-year-olds, homelessness may not be family-based and referrals to MASH will be made as necessary where concerns are raised.

3.Children absent from education

A child who is absent from school can be a vital warning sign of a range of safeguarding issues, including neglect, CSE and CCE, particularly county lines. The school will ensure that the response to children persistently being absent from education supports identifying such abuse and helps prevent the risk of pupils becoming absent from education in the future. Staff will monitor pupils that are absent from the school, particularly on repeat occasions and/or prolonged periods, and report them to the DSL following normal safeguarding procedures, in accordance with the Children Missing from Education Policy. The school will inform the LA of any pupil who fails to attend regularly or has been absent without the school’s permission for a continuous period of 10 school days or more. The school will follow the DfE’s [guidance](#) on improving attendance where there is a need to work with children’s services due to school absences indicating safeguarding concerns.

Admissions register

Pupils are placed on the admissions register at the beginning of the first day that is agreed by the school, or when the school has been notified that the pupil will first be attending. The school will notify the LA within 5 days of when a pupil’s name is added to the admissions register.

The school will ensure that the admissions register is kept up-to-date and accurate at all times and will inform parents when any changes occur. Two emergency contacts will be held for each pupil where possible. Staff will monitor pupils who do not attend the school on the agreed date and will notify the LA at the earliest opportunity. If a parent notifies the school that their child will live at a different address, the school will record the following information on the admissions register:

- The full name of the parent with whom the pupil will live
- The new address
- The date from when the pupil will live at that address

If a parent notifies the school that their child will be attending a different school, or is already registered at a different school, the following information will be recorded on the admissions register:

- The name of the new school
- The date on which the pupil first attended, or is due to attend, that school

Where a pupil moves to a new school, the school will use a secure internet system to securely transfer pupils’ data. To ensure accurate data is collected to allow effective safeguarding, the school will inform the LA of any pupil who is going to be deleted from the admission register, in accordance with the Education (Pupil Registration) (England) Regulations 2006 (as amended), where they:

- Have been taken out of the school by their parents, and are being educated outside the national education system, e.g. home education.
- Have ceased to attend the school, and no longer live within a reasonable distance of the premises.
- Have been certified by the school’s medical officer as unlikely to be in a fit state of health to attend, before ceasing to be of compulsory school age, and their parent has not indicated the intention to the pupil continuing to attend school after ceasing to be of compulsory school age.
- Have been in custody for a period of more than four months due to a final court order and the school does not reasonably believe they will be returning to the school at the end of that period.
- Have been permanently excluded.

The school will also remove a pupil from the admissions register where the school and LA has been unable to establish the pupil's whereabouts after making reasonable enquiries into their attendance.

If a pupil is to be removed from the admissions register, the school will provide the LA with the following information:

- The full name of the pupil
- The full name and address of any parent with whom the pupil lives
- At least one telephone number of the parent with whom the pupil lives
- The full name and address of the parent with whom the pupil is going to live, and the date that the pupil will start living there, if applicable
- The name of the pupil's new school and the pupil's expected start date there, if applicable
- The grounds for removal from the admissions register under regulation 8 of the Education (Pupil Registration) (England) Regulations 2006 (as amended)

The school will work with the LA to establish methods of making returns for pupils back into the school. The school will highlight to the LA where they have been unable to obtain necessary information from parents, e.g. where an address is unknown. The school will also highlight any other necessary contextual information, including safeguarding concerns.

4. Child abduction and community safety incidents

For the purposes of this policy, "**child abduction**" is defined as the unauthorised removal or retention of a child from a parent or anyone with legal responsibility for the child. Child abduction can be committed by parents and other relatives, other people known to the victim, and strangers.

All staff will be alert to community safety incidents taking place in the vicinity of the school that may raise concerns regarding child abduction, e.g. people loitering nearby or unknown adults conversing with pupils.

Pupils will be provided with practical advice and lessons to ensure they can keep themselves safe outdoors.

5. Child criminal exploitation (CCE)

For the purposes of this policy, "**child criminal exploitation**" is defined as a form of abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into taking part in criminal activity, for any of the following reasons:

- In exchange for something the victim needs or wants
- For the financial advantage or other advantage of the perpetrator or facilitator
- Through violence or the threat of violence

Specific forms of CCE can include:

- Being forced or manipulated into transporting drugs or money through county lines.
- Working in cannabis factories.
- Shoplifting or pickpocketing.
- Committing vehicle crime.
- Committing, or threatening to commit, serious violence to others.

The school will recognise that pupils involved in CCE are victims themselves, regardless of whether they have committed crimes, and even if the criminal activity appears consensual. The school will also recognise that pupils of any gender are at risk of CCE.

School staff will be aware of the indicators that a pupil is the victim of CCE, including:

- Appearing with unexplained gifts, money or new possessions.
- Associating with other children involved in exploitation.
- Suffering from changes in emotional wellbeing.
- Misusing drugs or alcohol.

- Going missing for periods of time or regularly coming home late.
- Regularly becoming absent from school or education or not taking part.

County lines

For the purposes of this policy, “**county lines**” refers to gangs and organised criminal networks exploiting children to move, store or sell drugs and money into one or more areas, locally and/or across the UK.

As well as the general indicators for CCE, school staff will be aware of the specific indicators that a pupil may be involved in county lines, including:

- Going missing and subsequently being found in areas away from their home.
- Having been the victim or perpetrator of serious violence, e.g. knife crime.
- Receiving requests for drugs via a phone line.
- Moving drugs.
- Handing over and collecting money for drugs.
- Being exposed to techniques such as ‘plugging’, where drugs are concealed internally to avoid detection.
- Being found in accommodation they have no connection with or a hotel room where there is drug activity.
- Owing a ‘debt bond’ to their exploiters.
- Having their bank account used to facilitate drug dealing.

Staff will be made aware of pupils with missing episodes who may have been trafficked for the purpose of transporting drugs. Staff members who suspect a pupil may be vulnerable to, or involved in, county lines activity will immediately report all concerns to the DSL.

The DSL will consider referral to the National Referral Mechanism on a case-by-case basis and consider involving local services and providers who offer support to victims of county lines exploitation.

6.Cyber-crime

For the purposes of this policy, “**cyber-crime**” is defined as criminal activity committed using computers and/or the internet. This includes ‘cyber-enabled’ crimes, i.e. crimes that can happen offline but are enabled at scale and at speed online, and ‘cyber-dependent’ crimes, i.e. crimes that can be committed only by using a computer. Crimes include:

- Unauthorised access to computers, known as ‘hacking’.
- Denial of Service attacks, known as ‘booting’.
- Making, supplying or obtaining malicious software, or ‘malware’, e.g. viruses, spyware, ransomware, botnets and Remote Access Trojans with the intent to commit further offence.

All staff will be aware of the signs of cyber-crime and follow the appropriate safeguarding procedures where concerns arise. This may include the DSL referring pupils to the National Crime Agency’s Cyber Choices programme.

7.Child sexual exploitation (CSE)

For the purposes of this policy, “**child sexual exploitation**” is defined as a form of sexual abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity, for any of the following reasons:

- In exchange for something the victim needs or wants
- For the financial advantage, increased status or other advantage of the perpetrator or facilitator
- Through violence or the threat of violence

The school will recognise that CSE can occur over time or be a one-off occurrence, and may happen without the pupil’s immediate knowledge, e.g. through others sharing videos or images of them on social media. The school will recognise that CSE can affect any pupil who has been coerced into engaging in sexual activities, even if the activity appears consensual; this includes pupils aged 16 and above who can legally consent to sexual activity. The school will

also recognise that pupils may not realise they are being exploited, e.g. they believe they are in a genuine romantic relationship.

School staff will be aware of the key indicators that a pupil is the victim of CSE, including:

- Appearing with unexplained gifts, money or new possessions.
- Associating with other children involved in exploitation.
- Suffering from changes in emotional wellbeing.
- Misusing drugs or alcohol.
- Going missing for periods of time or regularly coming home late.
- Regularly becoming absent from school or education or not taking part.
- Having older partners.
- Suffering from sexually transmitted infections.
- Displaying sexual behaviours beyond expected sexual development.
- Becoming pregnant.

All concerns related to CSE will be managed in line with the school's Child Sexual Exploitation (CSE) Policy.

Where CSE, or the risk of it, is suspected, staff will discuss the case with the DSL. If after discussion a concern remains, local safeguarding procedures will be triggered, including referral to the LA. The LA and all other necessary authorities will then handle the matter to conclusion. The school will cooperate as needed.

8. Modern slavery

For the purposes of this policy, "**modern slavery**" encompasses human trafficking and slavery, servitude, and forced or compulsory labour. This can include CCE, CSE, and other forms of exploitation.

All staff will be aware of and alert to the signs that a pupil may be the victim of modern slavery. Staff will also be aware of the support available to victims of modern slavery and how to refer them to the National Referral Mechanism.

9. FGM

For the purposes of this policy, "**FGM**" is defined as all procedures involving the partial or total removal of the external female genitalia or other injury to the female genital organs. FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences.

All staff will be alert to the possibility of a pupil being at risk of FGM, or already having suffered FGM. If staff are worried about someone who is at risk of FGM or who has been a victim of FGM, they are required to share this information with MASH and/or the police. The school's procedures relating to managing cases of FGM and protecting pupils will reflect multi-agency working arrangements.

As outlined in Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015), teachers are **legally required** to report to the police any discovery, whether through disclosure by the victim or visual evidence, of FGM on a pupil under the age of 18. Teachers failing to report such cases may face disciplinary action. Teachers will not examine pupils, and so it is rare that they will see any visual evidence, but they must personally report to the police where an act of FGM appears to have been carried out. Unless the teacher has a good reason not to, they should also consider and discuss any such case with the DSL and involve MASH as appropriate. **NB:** This does not apply to any suspected or at-risk cases, nor if the individual is over the age of 18. In such cases, local safeguarding procedures will be followed.

All staff will be aware of the indicators that pupils may be at risk of FGM. While some individual indicators they may not indicate risk, the presence of two or more indicators could signal a risk to the pupil. It is important to note that the pupil may not yet be aware of the practice or that it may be conducted on them, so staff will be sensitive when broaching the subject.

Indicators that a pupil may be at heightened risk of undergoing FGM include:

- The socio-economic position of the family and their level of integration into UK society.
- The pupil coming from a community known to adopt FGM.
- Any girl with a mother or sister who has been subjected to FGM.

- Any girl withdrawn from PSHE.

Indicators that FGM may take place soon include:

- When a female family elder is visiting from a country of origin.
- A girl confiding that she is to have a 'special procedure' or a ceremony to 'become a woman'.
- A girl requesting help from a teacher if she is aware or suspects that she is at immediate risk.
- A girl, or her family member, talking about a long holiday to her country of origin or another country where FGM is prevalent.

All staff will be vigilant to the signs that FGM has already taken place so that help can be offered, enquiries can be made to protect others, and criminal investigations can begin. Indicators that FGM may have already taken place include the pupil:

- Having difficulty walking, sitting or standing.
- Spending longer than normal in the bathroom or toilet.
- Spending long periods of time away from a classroom during the day with bladder or menstrual problems.
- Having prolonged or repeated absences from school, followed by withdrawal or depression.
- Being reluctant to undergo normal medical examinations.
- Asking for help, but not being explicit about the problem due to embarrassment or fear.

FGM is included in the definition of so-called **“honour-based’ abuse (HBA)”**, which involves crimes that have been committed to defend the honour of the family and/or community. All forms of HBA are forms of abuse and will be treated and escalated as such. Staff will be alert to the signs of HBA, including concerns that a child is at risk of HBA, or has already suffered from HBA, and will consult with the DSL who will activate local safeguarding procedures if concerns arise.

10. Virginit testing and hymenoplasty

Under the Health and Care Act 2022, it is illegal to carry out, offer or aid and abet virginit testing or hymenoplasty in any part of the UK. It is also illegal for UK nationals and residents to do these things outside the UK.

Virginit testing - Also known as hymen, '2-finger' or vaginal examination, this is defined as any examination (with or without contact) of the female genitalia intended to establish if vaginal intercourse has taken place. This is irrespective of whether consent has been given. Vaginal examination has no established scientific merit or clinical indication.

Hymenoplasty - A procedure which can involve a number of different techniques, but typically involving stitching or surgery, undertaken to reconstruct a hymen with the intent that the person bleeds the next time they have vaginal intercourse. Hymenoplasty is different to procedures that may be performed for clinical reasons, e.g. surgery to address discomfort or menstrual complications.

Virginit testing and hymenoplasty are forms of violence against women and girls and are part of the cycle of HBA, and can be precursors to child or forced marriage and other forms of family and/or community coercive behaviours, including physical and emotional control. Victims are pressurised into undergoing these procedures, often by family members or their intended husbands' family to fulfil the requirement that a woman remains 'pure' before marriage. Those who 'fail' to meet this requirement are likely to suffer further abuse, including emotional and physical abuse, disownment and even honour killings.

The procedures are degrading and intrusive, and can result in extreme psychological trauma, provoking conditions such as anxiety, depression and PTSD, as well as physical harm and medical complications. Staff will be alert to the possible presence of stress, anxiety and other psychological or behavioural signs, and mental health support should be made available where appropriate.

Victims face barriers in coming forward, e.g. they may not know that the abuse was abnormal or wrong at the time, and may feel shameful, having been taught that speaking out against family and/or the community is wrong, or being scared about the repercussions of speaking out. The school will educate pupils about the harms of these practices and dispel myths, e.g. the belief that virginit determines the worth of a woman, and establish an environment where pupils feel safe enough to make a disclosure.

Pupils aged 13 and older are considered to be most at risk, but it can affect those as young as 8, and anyone with female genitalia can be a victim regardless of age, gender identity, ethnicity, sexuality, religion, disability or socioeconomic status. All staff will be aware of the following indicators that a pupil is at risk of or has been subjected to a virginity test and/or hymenoplasty:

- A pupil is known to have requested either procedure or asks for help
- Family members disclose that the pupil has already undergone the practices
- Pain and discomfort after the procedures, e.g. difficulty in walking or sitting for a long period of time which was not a problem previously
- Concern from family members that the pupil is in a relationship, or plans for them to be married
- A close relative has been threatened with either procedure or has already been subjected to one
- A pupil has already experienced or is at risk of other forms of HBA
- A pupil is already known to social services in relation to other safeguarding issues
- A pupil discloses other concerns that could be an indication of abuse, e.g they may state that they do not feel safe at home, that family members will not let them out the house and/or that family members are controlling
- A pupil displays signs of trauma and an increase in emotional and psychological needs, e.g. withdrawal, anxiety, depression, or significant change in behaviour
- A pupil appears fearful of their family or a particular family member
- Unexplained absence from school, potentially to go abroad
- Changes in behaviour, e.g. a deterioration in schoolwork, attendance, or attainment

The above list is not exhaustive, but if any of these indicators are identified, staff members will immediately raise concerns with the DSL. An assessment of the risk they face will be undertaken. If there is believed to be immediate danger, the police will be contacted without delay.

The school will not involve families and community members in cases involving virginity testing and hymenoplasty, including trying to mediate with family or using a community member as an interpreter, as this may increase the risk of harm to the pupil, including expediting arrangements for the procedure.

11. Forced marriage

Forced marriage is a crime. It is a form of abuse directed towards a child or vulnerable adult, including adults who are forced into marriage against their free will.

Forced marriage is a marriage where one or both spouses do not consent to the marriage but are coerced into it. Force can be physical, psychological, financial, sexual and emotional pressure. Forced marriage can be committed if a person lacks capacity, whether or not coercion plays a part.

Under the Anti-social Behaviour, Crime and Policing Act 2014 a person commits an offence if he or she uses violence, threats or any other form of coercion for the purpose of causing another person to enter into a marriage and believes, or ought reasonably to believe, that the conduct may cause the other person to enter into the marriage without free and full consent.

It is an offence to do anything intended to cause a child to marry before the child's eighteenth birthday, whether or not the conduct amounts to violence, threats, or any other form of coercion or deception. This applies to non-binding, unofficial 'marriages' as well as legal marriages.

All staff will be alert to the indicators that a pupil is at risk of, or has undergone, forced marriage, including, but not limited to, the pupil:

- Being absent from school – particularly where this is persistent.
- Requesting for extended leave of absence and failure to return from visits to country of origin.
- Being fearful about forthcoming school holidays.
- Being subjected to surveillance by siblings or cousins at school.
- Demonstrating a decline in behaviour, engagement, performance, exam results or punctuality.

- Being withdrawn from school by their parents.
- Being removed from a day centre when they have a physical or learning disability.
- Not being allowed to attend extracurricular activities.
- Suddenly announcing that they are engaged to a stranger, e.g. to friends or on social media.
- Having a family history of forced marriage, e.g. their older siblings have been forced to marry.
- Being prevented from going on to further or higher education.
- Showing signs of mental health disorders and behaviours, e.g. depression, self-harm, anorexia.
- Displaying a sudden decline in their educational performance, aspirations or motivation.

Staff who have any concerns regarding a pupil who may have undergone, is currently undergoing, or is at risk of forced marriage will speak to the DSL or headteacher and local safeguarding procedures will be followed – this could include referral to MASH, the police or the Forced Marriage Unit. The DSL or headteacher will ensure the pupil is spoken to privately about these concerns and further action taken as appropriate. Pupils will always be listened to and have their comments taken seriously.

It will be made clear to staff members that they should not approach the pupil’s family or those with influence in the community, without the express consent of the pupil, as this will alert them to the concerns and may place the pupil in further danger.

Advice will be sought from the Forced Marriage Unit following any suspicion of forced marriage among pupils.

If a pupil is being forced to marry, or is fearful of being forced to, the school will be especially vigilant for signs of mental health disorders and self-harm. The pupil will be supported by the DSL and senior mental health lead and referrals will be made on a case-by-case basis.

Staff members will make themselves aware of how they can support victims of forced marriage in order to respond to the victims needs at an early stage, and be aware of the practical help they can offer, e.g. referral to social services and local and national support groups.

Local child safeguarding procedures will be activated following concerns regarding forced marriage – the school will use existing national and local protocols for multi-agency liaison with police and children’s social care.

The school will support any victims to seek help by:

- Making them aware of their rights and choices to seek legal advice and representation.
- Recording injuries and making referrals for medical examination where necessary.
- Providing personal safety advice.
- Developing a safety plan in case they are seen, e.g. by preparing another reason for why the victim is seeking help.

The school will establish where possible whether pupils at risk of forced marriage have a dual nationality or two passports.

The school will aim to create an open environment where pupils feel comfortable and safe to discuss the problems they are facing – this means creating an environment where forced marriage is discussed openly within the curriculum and support and counselling are provided routinely.

The school will take a whole school approach towards educating on forced marriage in the school curriculum and environment – in particular, the school’s RSHE curriculum will incorporate teaching about the signs of forced marriage and how to obtain help. Appropriate materials and sources of further support will be signposted to pupils. Pupils will be encouraged to access appropriate advice, information and support.

Teachers and other staff members will be educated [through CPD](#) about the issues surrounding forced marriage and the signs to look out for.

12. Radicalisation

For the purposes of this policy, “**radicalisation**” refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.

For the purposes of this policy, “**extremism**” refers to the vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty, and the mutual respect and tolerance of different faiths and beliefs. Extremism also includes calling for the death of members of the armed forces.

For the purposes of this policy, “**terrorism**” refers to an action that endangers or causes serious violence to a person or people, serious damage to property, or seriously interferes with or disrupts an electronic system. The use or threat of these actions must be designed to influence the government or intimidate the public, and be made for the purpose of advancing a political, religious or ideological cause.

Protecting pupils from the risk of radicalisation is part of the school’s wider safeguarding duties. The school will actively assess the risk of pupils being radicalised and drawn into extremism and/or terrorism. Staff will be alert to changes in pupils’ behaviour which could indicate that they may need help or protection. Staff will use their professional judgement to identify pupils who may be susceptible to extremist ideologies and radicalisation and act appropriately, which may include contacting the DSL or making a Prevent referral. The school will work with local safeguarding arrangements as appropriate.

The school will ensure that they engage with parents and families, as they are in a key position to spot signs of radicalisation. In doing so, the school will assist and advise family members who raise concerns and provide information for support mechanisms. Any concerns over radicalisation will be discussed with the pupil’s parents, unless the school has reason to believe that the child would be placed at risk as a result.

The DSL will undertake Prevent awareness training to be able to provide advice and support to other staff on how to protect pupils against the risk of radicalisation. The DSL will hold formal training sessions with all members of staff to ensure they are aware of the risk indicators and their duties regarding preventing radicalisation.

The Prevent duty

Under section 26 of the Counter-Terrorism and Security Act 2015, all schools are subject to a duty to have “due regard to the need to prevent people from being drawn into terrorism”, known as “**the Prevent duty**”. The Prevent duty will form part of the school’s wider safeguarding obligations.

The school’s procedures for carrying out the Prevent duty, including how it will engage and implement the Channel programme, are outline in the Prevent Duty Policy.

13. Pupils with family members in prison

Pupils with a family member in prison will be offered pastoral support as necessary. They will receive a copy of ‘[Are you a young person with a family member in prison?](#)’ from Action for Prisoners’ Families where appropriate and allowed the opportunity to discuss questions and concerns.

14. Pupils required to give evidence in court

Pupils required to give evidence in criminal courts, either for crimes committed against them or crimes they have witnessed, will be offered appropriate pastoral support.

Pupils will be provided with the booklet ‘[Going to Court](#)’ from HMCTS where appropriate and allowed the opportunity to discuss questions and concerns.

15. Mental health

All staff will be made aware that mental health problems can, in some cases, be an indicator that a pupil has suffered, or is at risk of suffering, abuse, neglect or exploitation.

Staff will not attempt to make a diagnosis of mental health problems – the school will ensure this is done by a trained mental health professional. Staff will, however, be encouraged to identify pupils whose behaviour suggests they may be experiencing a mental health problem or may be at risk of developing one. Staff will also be aware of how pupils’ experiences can impact on their mental health, behaviour, and education.

Staff who have a mental health concern about a pupil that is also a safeguarding concern will act in line with this policy and speak to the DSL or deputy DSLs.

The school will access a range of advice to help them identify pupils in need of additional mental health support, including working with external agencies.

In all cases of mental health difficulties, the school’s Social, Emotional and Mental Health (SEMH) Policy will be consulted and adhered to at all times.

16. Serious violence

Through training, all staff will be made aware of the indicators which may signal a pupil is at risk from, or is involved with, serious violent crime. These indicators include, but are not limited to:

- Increased absence from school.
- A change in friendships.
- Relationships with older individuals or groups.
- A significant decline in academic performance.
- Signs of self-harm.
- A significant change in wellbeing.
- Signs of assault.
- Unexplained injuries.
- Unexplained gifts or new possessions.

Staff will be made aware of some of the most significant risk factors that could increase a pupil's vulnerability to becoming involved in serious violence. These risk factors include, but are not limited to:

- Being male.
- Having been frequently absent from school.
- Having been permanently excluded from school.
- Having experienced child maltreatment.
- Having been involved in offending, such as theft or robbery.

Staff members who suspect a pupil may be vulnerable to, or involved in, serious violent crime will immediately report their concerns to the DSL.

The school will cooperate with core duty holders when asked and ensure arrangements are in place to do so.

17. Adult involvement in youth-produced sexual imagery

The school's full response to youth-produced sexual imagery (YPSI) is outlined in the Youth-produced Sexual Imagery Policy.

Sexually motivated incidents

The school will remain aware that not all instances of YPSI will be between children and young people, and in some cases may involve adults posing as a child for the purpose of obtaining nude and semi-nude images from persons under 18.

Staff will be aware of the signs that an adult is involved in the sharing the nude or semi-nude images. These include:

- Being contacted by an online account they do not know but appears to be from somebody under the age of 18.
- Quickly being engaged in sexually explicit communications.
- The offender sharing unsolicited sexual images.
- The conversation being moved from a public to a private and/or encrypted platform.
- Being coerced or pressured into doing sexual things, including producing sexual imagery.
- Being offered money or gifts.
- Being threatened or blackmailed into sharing nude or semi-nude images, and/or further sexual activity.

Financially motivated incidents

Financially motivated incidents of YPSI involving adults may also be called "**sextortion**", where the offender threatens to release nudes or semi-nudes of a child or young person unless they do something to prevent it, e.g. paying money. In these cases, offenders often pose as children and:

- Groom or coerce the victim into sending nudes or semi-nudes in order to blackmail them.
- Use images that have been stolen from the child or young person, e.g. via hacking.

- Use digitally manipulated and/or AI-generated images of the child or young person.

Staff will be aware of the signs of sextortion, which include:

- Being contacted by an online account they do not know but appears to be from somebody under the age of 18.
- Quickly being engaged in sexually explicit communications.
- The offender sharing sexual images first.
- The conversation being moved from a public to a private and/or encrypted platform.
- Told their online accounts have been hacked in order to obtain images, personal information, and contacts.
- Being blackmailed into sending money or sharing bank account details.
- Being shown stolen or digitally manipulated/generated images of the victim.

Appendix 4: Acronyms

This policy contains a number of acronyms used in the Education sector. These acronyms are listed below alongside their descriptions.

| Acronym | Long form | Description |
|----------|---------------------------------|--|
| CCE | Child criminal exploitation | A form of abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into taking part in criminal activity in exchange for something the victim needs or wants, for the financial advantage or other advantage of the perpetrator or facilitator, and/or through violence or the threat of violence. |
| MASH | Children's social care services | The branch of the local authority that deals with children's social care. |
| CSE | Child sexual exploitation | A form of sexual abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity in exchange for something the victim needs or wants, for the financial advantage, increased status or other advantage of the perpetrator or facilitator, and/or through violence or the threat of violence. |
| DBS | Disclosure and barring service | The service that performs the statutory check of criminal records for anyone working or volunteering in a school. |
| DfE | Department for Education | The national government body with responsibility for children's services, policy and education, including early years, schools, higher and further education policy, apprenticeships and wider skills in England. |
| DPO | Data protection officer | The appointed person in school with responsibility for overseeing data protection strategy and implementation to ensure compliance with the UK GDPR and Data Protection Act. |
| DSL | Designated safeguarding lead | A member of the senior leadership team who has lead responsibility for safeguarding and child protection throughout the school. |
| EEA | European Economic Area | The Member States of the European Union (EU) and three countries of the European Free Trade Association (EFTA) (Iceland, Liechtenstein and Norway; excluding Switzerland). |
| EHC plan | Education, health and care plan | A funded intervention plan which coordinates the educational, health and care needs for pupils who have significant needs that impact on their learning and access to education. The plan identifies any additional support needs or interventions and the intended impact they will have for the pupil. |

| | | |
|------|-------------------------------------|--|
| ESFA | Education and Skills Funding Agency | An agency sponsored by the Department for Education with accountability for funding education and skills training for children, young people and adults. |
|------|-------------------------------------|--|

| | | |
|---------|--|--|
| FGM | Female genital mutilation | All procedures involving the partial or total removal of the external female genitalia or other injury to the female genital organs. FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences. |
| UK GDPR | UK General Data Protection Regulation | Legislative provision designed to strengthen the safety and security of all data held within an organisation and ensure that procedures relating to personal data are fair and consistent. |
| HBA | 'Honour-based' abuse | So-called 'honour-based' abuse involves crimes that have been committed to defend the honour of the family and/or community. |
| HMCTS | HM Courts and Tribunals Service | HM Courts and Tribunals Service is responsible for the administration of criminal, civil and family courts and tribunals in England and Wales. HMCTS is an executive agency, sponsored by the Ministry of Justice. |
| IICSA | Independent Inquiry into Child Sexual Abuse | The Independent Inquiry into Child Sexual Abuse is analysing case files from the Disclosure and Barring Service to learn more about the behaviours of perpetrators who have sexually abused children in institutions, and to understand institutional responses to these behaviours. |
| KCSIE | Keeping children safe in education | Statutory guidance setting out schools and colleges' duties to safeguard and promote the welfare of children. |
| LA | Local authority | A local government agency responsible for the provision of a range of services in a specified local area, including education. |
| LAC | Looked-after children | Children who have been placed in local authority care or where children's services have looked after children for more than a period of 24 hours. |
| LGBTQ+ | Lesbian, gay, bisexual, transgender and queer plus | Term relating to a community of people, protected by the Equality Act 2010, who identify as lesbian, gay, bisexual or transgender, or other protected sexual or gender identities. |
| MAT | Multi-academy trust | A trust established to undertake strategic collaboration and provide education across a number of schools |
| NPCC | The National Police Chiefs' Council | The National Police Chiefs' Council is a national coordination body for law enforcement in the United Kingdom and the representative body for British police chief officers. |
| PLAC | Previously looked after children | Children who were previously in local authority care or were looked after by children's services for more than a period of 24 hours. PLAC are also known as care leavers. |
| PSHE | Personal, social and health education | A non-statutory subject in which pupils learn about themselves, other people, rights, responsibilities and relationships. |

| | | |
|-------|---|--|
| RSHE | Relationships, sex and health education | A compulsory subject from Year 7 for all pupils. Includes the teaching of sexual health, reproduction and sexuality, as well as promoting positive relationships. |
| SCR | Single central record | A statutory secure record of recruitment and identity checks for all permanent and temporary staff, proprietors, contractors, external coaches and instructors, and volunteers who attend the school in a nonvisitor capacity. |
| SENCO | Special educational needs coordinator | A statutory role within all schools maintaining oversight and coordinating the implementation of the school's special educational needs policy and provision of education to pupils with special educational needs. |
| SLT | Senior leadership team | Staff members who have been delegated leadership responsibilities in a school. |
| TRA | Teaching Regulation Agency | An executive agency of the DfE with responsibility for the regulation of the teaching profession. |
| VSH | Virtual school head | Virtual school heads are in charge of promoting the educational achievement of all the children looked after by the local authority they work for, and all children who currently have, or previously had, a social worker. |
