Issue 356 31.03.2023

Dear Parents and Carers,

As the term draws to a close, I wish to thank you all for your ongoing support. It has been a very successful term at Cleves with many of the children making significant progress in their learning.. I ask that all children continue to read over the Easter break as this is the best way to prepare them for the Summer term.

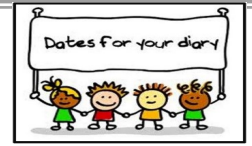

Next term is a busy term with many activities taking place including Year 6 SATs. It is really important that children do not miss out on any school days in the new term unless it is absolutely essential. All staff will be keeping a close eye on attendance in the new term.

Thank you to all the parents and carers that attended our spring shows. I am sure you will all agree that the children managed to give us that spring feeling.

Newham are hosting an extensive programme of events and activities to keep our young children entertained and safe. Please visit the Newham website to find out more about what's on offer including booking details, dates and venues.

On behalf of SLT and myself, we wish you all a safe and fantastic Spring break and I look forward to welcoming you back on Monday 17th April!

This week Cleves held its annual spring shows. Parents all agreed that the music recitals and shows managed to put a smile on all our faces. Well done to all the children who sang their hearts out, you made us all extremely proud.

**Cleves Coffee  
Mornings:  
(9:00—9:30)**

**17th April**  
School opens

ME'

**Dates for your  
diary:**

**8th May**  
School Closed

**9th—12th May**  
Year 6 SATs

**22nd June**  
Big Breakfast

This week in Reception we have been exploring different plants and flowers. The children have been reading the book 'Sam Plants a Sunflower'. They had the opportunity to plant and grow their very own sunflower seeds and cress. The children have used their observational skills to draw tulips and sunflowers. By using what they knew, they were able to create different shapes and effects to create different parts of their plants. Just like Sam from the book, they understood how important it is to look after our plants. They made sure that every morning their plants had been watered in order for them to stay alive and well.

## Stars of the week

Fiza-NOAM  
 Zubayr-NOPM
