

Dear Parents and Carers,

Thank you to all everyone for your Children in Need donations. We will be accepting any donations until Monday afternoon.

Our Christmas performances are scheduled to take place on **Wednesday 20th December**. As these shows are extremely popular, we will be running two performances at **9:30am** and **1:30pm**.

Class parties will take place on the same day; please send your child in to school with some snacks to share with their classmates.

I thank you for your continued support .

Have a restful weekend.

Miss Christofides

Year 1: The Victorians

This term in year 1 we have been learning about the Victorians. We have been focusing on what life was like for a Victorian child. Life was very difficult for most Victorian children. They didn't have the same things we have. Their toys, house, clothes and living conditions were not the same as us. During our lesson we explored and compared different toys and clothing to Victorian children.

Year 4 DT Survey

In Year 4, we will be making pizzas this half term for the children in reception. We have been exploring the different types of pizzas and why we have to be careful with certain ingredients due to allergies and different diets. We have also been looking at their nutritional value. This week the Year 4s had the opportunity to go to reception and carry out a survey on what the children would like on their pizzas. We learnt about what the Reception children's preferences are and which ingredients were the most popular. We are looking forward to creating our own pizzas in the upcoming weeks!

Our school target is 97%.

Unfortunately there were classes that did not meet this target this week.

Please remember to notify the school as soon as possible when your child has to be unexpectedly absent (e.g. sickness).

In order to avoid children missing out on key learning, please book any medical appointments around the school day where possible.

Recreating Recipes

It is always wonderful to see children applying their learning outside of school.

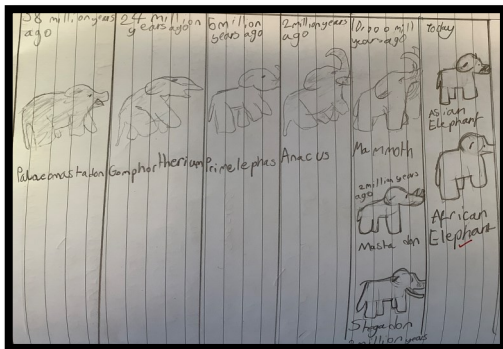

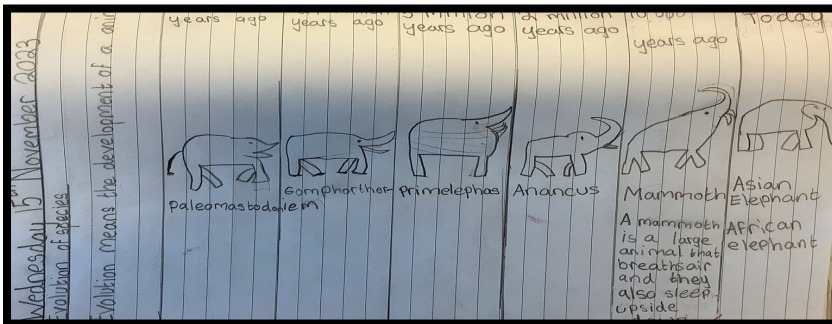

Ammarah was able to recreate the famous Oreo cheesecake that she learnt to prepare during her residential trip to Lower Treginnis.

Well done Ammarah, I am looking forward to receiving a slice!

Year 3 History

In Year 3 we have been learning about the extinction of elephants. We looked at the evolution of animals and identified how these animals developed over time. As a class, we were able to identify the animals that evolved over time.

In our year group, we were able to identify how elephants and horses developed over time. We were able to look at the similarities and differences over time. We recognised that as time went by, the bodies of the animals became larger, the trunks of the animals became longer, and the teeth of the animals turned into tusks.
