Dear Parents and Carers,

In today's assembly we were able to recognise our Autumn 1 Positive Behaviour Ambassadors. These children are selected by their class teacher for displaying exemplary behaviour and always following the school's five core values: care, commitment, consideration, courtesy and cooperation.

## **Nursery Explore Different Food**

This week in the Nursery we read the story Which Food Will You Choose?' We used different fresh vegetables and paint to create different patterns and effects on paper.

The children also tasted fresh fruits such as pineapple, kiwi, lemons, mango, passion fruit, avocado pear, grapes, plums and celery.

#### **Reception Make A Potion!**

This week the children have been reading 'Ten Little Monsters'. During EAD the children had an opportunity to create their very own bubbling witches' potions. The children enjoyed discussing the changes of the potion and how the bicarbonate soda reacts with the vinegar. They enjoyed getting into the role by wearing their witches' hats and Halloween face masks they created as part of their homework project.

#### Walter Tull (1888-1918)

As part of the Black History Month 2023, Year 6 have researched inspirational yet forgotten heroes of the First World War. The week-long unit to study Walter Tull's life and achievements offered opportunities for pupils to talk about racism, football and the impact of war on individuals and families.

Walter Tull, who played for Tottenham Hotspur and Northampton Town, died aged 30 in 1918 when he was shot on the battlefields of France during World War One. He was Britain's first black Army officer to command white troops."His service on behalf of this country was immense," Lammy said.

Dele Alli, Danny Rose and Kieran Trippier - the latest generation of black and mixed-race players to follow in Tull's footsteps for Tottenham and England - back Lammy's call for him to be recognised. "Walter's story can inspire a generation. I think giving him that Military Cross will reach young people all across this country and say a tremendous amount about the United Kingdom at this time."

# **Year 3 Explore Soil formation**

This week in Year 3 we have been looking at Soil Formation. We have been able to recognise the different particles in soil by observing it in our investigation which we enjoyed. We identified that there were 5 different layers of soil. diagram and explaining the different layers of soil.
