Dear Parents and Carers,

Happy World Book Day to all. It was such a delight to see all the children dressed up as their favourite book characters and celebrating their love of reading. I will be sharing more photos in next week's newsletter.

Have a restful weekend,  
Miss Christofides

### The Very Hungry Caterpillar Adventure

In a delightful journey inspired by The Very Hungry Caterpillar, Resource Provision pupils recently visited their local fruit and vegetable market. The aim was to immerse the children in the world of diverse fruits connected to their beloved story. During this outing, our young explorers engaged in a sensory exploration of various fruits. Their expressions vividly conveyed their preferences and aversions.

### Staff Appreciation Day

Friday 1st of March was Employee Appreciation Day - a time for us to recognise and celebrate the incredible contributions that each one of our employees make to our organisation. To show our appreciation for their exceptional efforts, The Boleyn Trust and Cleves arranged a pizza lunch for all staff. This was just a small token of our gratitude for everything that the team do day in and day out to make Cleves thrive.

### Reception:

In Reception the children really enjoyed reading the story, 'What the Ladybird Heard'. They used recyclable materials to make a trap to help the police catch the *baddies* in the story. We also proudly explained to our friends and teachers how the trap works.
