3rd May 2024

Dear Parents and Carers,

I wanted to take this opportunity to wish the Year 6 children the very best of luck for their upcoming SATs which begin on Monday 13th May. I know that each and every child has worked so hard to prepare for these assessments. I would also like to thank Ms Ali and Ms Lawrence for their dedication towards the children.

Please remember that there is no school on Monday 6th May due to the Bank holiday.

Have a restful weekend,  
Miss Christofides

### The Night Pirates

This week, children in the Pathways classrooms delved into the adventurous tale of *The Night Pirates*. They embarked on a thrilling treasure hunt, exploring the beach while engaging their senses to hear the crashing waves, the calls of seagulls, and feeling the wind against their faces. Immersed in the pirate theme, the children delighted in dressing up as swash-bucklers, crafting their own pirate hats and binoculars using a variety of materials.

During Sensory PE sessions, children in Pathways have been participating in the Get Set for Learning routine, which aims to enhance their coordination, body awareness, and balance. Our goal is to observe positive changes in self-confidence, concentration, and take turns passing the ball.

### Mandarin Lessons at Cleves

Children in Year 2 have been loving their Mandarin lessons. This term they have been focusing on colours. They are able to practise recognising and pronouncing a range of colours with help from their teachers. The children are also embedding every day language such as 'hello', 'please', 'thank you' and 'goodbye'. Next week will be practising writing the Chinese characters to spell the words for colours.
